

Discoverers Class – Take Home Task
Autumn Term 1
2018

Dear parents, carers and children

This half term our TAKE HOME TASK is inspired by our current topic, the Romans.

Please can you make a **Roman chariot**, with horses driven by a gladiator.

You can make this out of any materials you wish. For example; play dough, air drying clay, plasticine, cardboard, matchsticks, Lego, or a combination of all the above. It would be great to see lots of different variations.

The hand in date is Tuesday 6th November 2018.

(This is the second week of term)

Thank you for your support. Please do not hesitate to contact me if you need any further information.

Mrs S Maloney

Class teacher
