

Autumn Newsletter

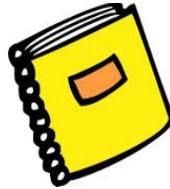

Pre-School holiday dates

The pre-school will be closed for the following dates:

Half term- Monday 22nd October- Friday 26th October

Christmas- Monday 24th December- Friday 4th January

I would like to take this opportunity to thank everyone for their support. The children have all settled well and are enjoying their new environment. We have especially enjoyed spending time in the garden and are continually developing the outdoor space, we have added new model making resources for the children to help themselves to. Our most recent development is our new planters which we will be planting over the next few weeks. The children have also had the opportunity to use the school field, visit the library bus and go on a woodland walk.

All the children now have their contact books. These provide an opportunity for us to share information about what the children have been doing and any achievements they have made.

Spare clothes

We would really appreciate any donations of clothes we can use for spares including; pants, socks, trousers, tops.

Outdoor clothes

With the weather soon to be turning colder and wetter we would really appreciate it if the children could wear

waterproof suits and wellies for the garden.

They may bring slippers or slipper socks to wear indoors for comfort.

Music sessions

On Wednesday afternoons we have joined up with the Reception class for music time and have the opportunity to go into Reception with the older children

Additional sessions

After half term I will be organising my January registers. If you would like your child to attend any additional sessions then please let me know in writing.

Many thanks.

Cookery sessions

The children have especially enjoyed the opportunity to take part in cooking activities. So far, we have made cheese scones, jam tarts, banana bread, biscuits and play dough. The children all have their own bowls and measure their own ingredients. If you have any suggestions of what the children would like to make then please let us know.
