

A DVENTURERS ASSEMBLE

This term we would like parents to focus on reading daily with their children at home. This should take priority over any other homework for children in KS1. Children who read daily make good progress with their reading, spelling and writing.

If you have any more time to spend on homework, then please support them with counting to 100, forward and back, in tens from any number e.g. 23, 33, 43, 53. In year 1 children should be able to count in 2's, 5's and 10's. In year 2 the children should be able to count in 2's, 3's, 5's and 10's

Please see below if you would like to complete some additional topic homework with your child this term.

Design a superhero challenge!

Draw and write about your own superhero. You can sketch, colour or paint your picture. Please bring in their finished superhero whenever it is completed to share with the class.
