

Welcome Note for New Parents / Guardians

Caterlink would usually be welcoming you at the New Parent meeting of your chosen school. Unfortunately, due to the current situation this cannot happen and hence sending you information to go into your welcome packs.

Please find attached:

- Caterlink Welcome Poster – gives you information to who we are and what we do. For more details – look at our website www.caterlinkltd.co.uk
<https://caterlinkltd.co.uk/archives/school/isle-of-wight>
- A copy the autumn IOW menu – our nutritionist and chefs work together to provide a fully balanced lunch with alternatives (vegetarian, jacket potato, baguette) along with the desert of the day with alternatives (yoghurt or fresh fruit)

A lot of firm favourites are to be found – Roast Dinner/Fish and Chips being the top two sellers.

We encourage our new customers to try – you may say ‘they won’t like’ but you will be surprised when eating with fellow peers!

- Universal Infant Free School Meals (UIFSM) leaflet for Reception, Year 1 and Year 2
All pupils within these years are entitled to a **FREE** meal – This is a saving of over £400 per child for each year.
- Special Diets – if your child has a dietary requirement then we can cater – all that’s required is either the school’s medical form to be completed and they pass the details to us or our own special diet form along with the medical back up. A photograph will be displayed in the kitchen alongside the allergy/dietary requirement to then help the School Cook to identify and changes to the menu are made. Will be happy to discuss this with you and confirm the menu that is required. Please email Yvonne Curran, Operations Manager at ycurran@caterlinkltd.co.uk
