

Arrivals and Departures

EYFS: 3.7, 3.63

At Pre-School @ St Helens, we give a warm welcome and goodbye to every child and family on their arrival and departure, as well as ensuring the safety of children, parent/carers, visitors, employees, volunteers and students.

Parents are requested to pass the care of their child to a specific member of staff who will ensure their safety (this is usually a child's key person). The staff member receiving the child immediately records their arrival in the daily attendance register. The staff member also records any specific information provided by the parents, including the child's interests, experiences and observations from home.

If the parent requests the child is given medicine during the day the staff member must ensure that the medication procedure is followed.

If the child is to be collected by someone who is not the parent at the end of the session, there is an agreed procedure that must be followed to identify the designated person. Identification and a password are also required where possible for the designated adult. Parents are informed about these arrangements and reminded about them regularly. Other than the parent/s or legal guardian of the child, we do not allow anyone under the age of 18 to collect. If anyone under the age of 18 arrives to collect child, the parent/carer will be contacted.

The child's key person or other nominated staff member must plan the departure of the child. This should include opportunities to discuss the child's day with the parent in addition to what may already be shared via electronic systems, e.g. meals, sleep time, activities, interests, progress and friendships. The parent should be told about any accidents or incidents and the appropriate records must be signed by the parent before departure. Where applicable, all medicines should be recovered from the medicine box/fridge after the parent has arrived and handed to them personally. The medication policy is to be followed regarding parental signature.

The nursery will not release a child to anyone other than the known parent unless an agreement has been made at the time of arrival. In the case of any emergency such as a parent being delayed and arranging for a designated adult to collect a child, the parent should inform the designated person of the agreed procedure and contact the nursery about the arrangements as soon as possible. If in any doubt the nursery will check the person's identity by ringing the child's parent or their emergency contact number (please refer to the late collection policy).

On departure, the staff member releasing the child must mark the child register immediately marked to show that the child has left the premises.

Parents/carers will be informed and reminded not to allow any other person onto the premises when dropping-off or collecting, this is to ensure the safety at all times.

In the unlikely event that someone gains unauthorised access to the premises and if it feels safe to do so, a member of staff will ask the person what the purpose of their visit is. If needed our lockdown procedure will be initiated by staff and the police will be called. (Refer to lockdown procedure). In any cases where someone has gained unauthorised access to the premises we will revisit our arrivals and departures procedures and risk assessment.
