

English

Folk stories, legend writing, and poetry this half term will be inspired by these texts.

Art and Design

Collaborative art : leaving a mark behind. Year 6 will be designing and executing a piece of art collaboratively with their Year 5 colleagues.

CLASS OF 2023

RE and PSHE

This half term an overview of Love and the community in all religions; as well as looking at the beliefs shared by Humanists and their theory of the River of Life.

PSHE his half term reflects the transitional nature of this part of the academic year and therefore the children will be considering aspects of growing and changing in their lives and strategies to understand this.

Science

The topic is AWE and WONDER and this half term is child led. The Year 6 pupils have been tasked to take over science.

Topics suggested and planned by students include; growing marigolds, what are the ideal conditions for germination; Caterpillars to butterflies.; hovercrafts and various terrains; creation of perfect gliders ;crystal growing. The children have been directed to provide the class with the science behind their delivery of these practical and fun investigations.

Pioneers Class
Summer Term 2
2023

Maths

An emphasis this term on looking back at our learning and knowledge in these areas.

Number and place value, addition and subtraction, multiplication and division, fractions, measurement and geometry, times tables.

History/ Geography

The aim is to compare several ancient civilizations and to revisit our knowledge and understanding of chronological time up to 1066. Additionally our outdoor and local environment work will be mapping and fieldwork skills from the UKS2 geography curriculum
