

Friday 8<sup>th</sup> September 2023

**Dear Parents and Carers,**

The children have returned in great spirits which is always lovely to see. Tuesday's welcome assembly was a great example of the excellent behaviour we expect from the children and why I always look forward to my days at school.

The sun may have forgotten to shine during the school holidays but it has certainly been present this week with temperatures reaching the high twenties. Fortunately we have some lovely shaded spaces around the school site when the rooms got a little warm.

We welcomed 13 new Explorers this week who have been an absolute delight and are mixing well with each other and some of the older children at break times. I hope to see two more join the class before too long in order to reach our target number of 15.

This week we have also welcomed Beauin who has joined key stage 2.

All our best wishes goes to Mrs Allman and family as they have welcomed a baby girl to their clan. We welcome Miss Powell who is covering Mrs Allman's maternity leave.

In class, the children have settled well. I am delighted to be teaching the Pioneers for a number of sessions this year and they have certainly impressed me with their great attitude. Pippa is obviously a Shakespearian actress in the making and the attitude of all Upper Key Stage 2 has been exemplary. Thank you for their efforts.

Throughout the classes, the children are settled and ready for an exciting year ahead.

We have had a busy summer at school. There is now a new playground awaiting lining in the next few weeks. We have had a major upgrade on the heating system and the upper floor of the library bus has had a repainting. Thank you to the village volunteers for their efforts.

Thank you also to Mr Andre for his efforts during the summer.

All in all we have had a great first week back and I look forward to many more in the future.

**Mr Wake**

**Attendance week from:17/07/2023 to 21/07/2023**

Class	Attendance	Late Arrivals	Minutes Lost Through Lateness	Unauthorised Absences	Authorised Absences
Explorers	90%	0	0	10	4
Adventurers	98.8%	0	0	0	3
Discoverers	93.9%	0	0	10	7
Pioneers	97.1%	0	0	0	9

Although we strive for 100%, our whole school attendance for this week was 95.6% which is **below** the national expectation of 96%

If your child is too unwell to attend school please contact us to let us know. You can phone on 872442 or email us on [admin@sthelenspri.iow.sch.uk](mailto:admin@sthelenspri.iow.sch.uk) If you let us know by phone please can you put the reason for your child's absence in writing when they return to school otherwise the absence will be marked as unauthorised. We are required to ask you for this in order to follow the Local Authority attendance procedures, and if we don't receive a letter or email we have to follow it up.

We would like to wish a very 'Happy Birthday' to the following children and staff who celebrate their special day this week:

Margaux age 6

James age 11

Luca age 8

Ellie age 11

Raif age 6

**School Dinner Menu (£2.75) per day or free to Reception, Year 1 & 2 pupils)**

On **TUESDAYS and FRIDAYS only**, the children will be able to order baguettes - fillings cheese, tuna or ham.

## **Flu Immunisations**

The school nursing team will be in school on Tuesday 26<sup>th</sup> September to administer the nasal flu vaccinations.

A letter was sent out to parents and carers this week via email with an information leaflet. This letter contains the link to the online consent form. Children have also brought home a leaflet today.

## **Explorers**

We have had a fantastic first week in Explorers!

The children have all enjoyed exploring the classroom and the garden as well as joining the rest of the school out on the playground at break time.

This week has just been about the children getting to know us, each other and the classroom routines.

They have all already made some great friends!

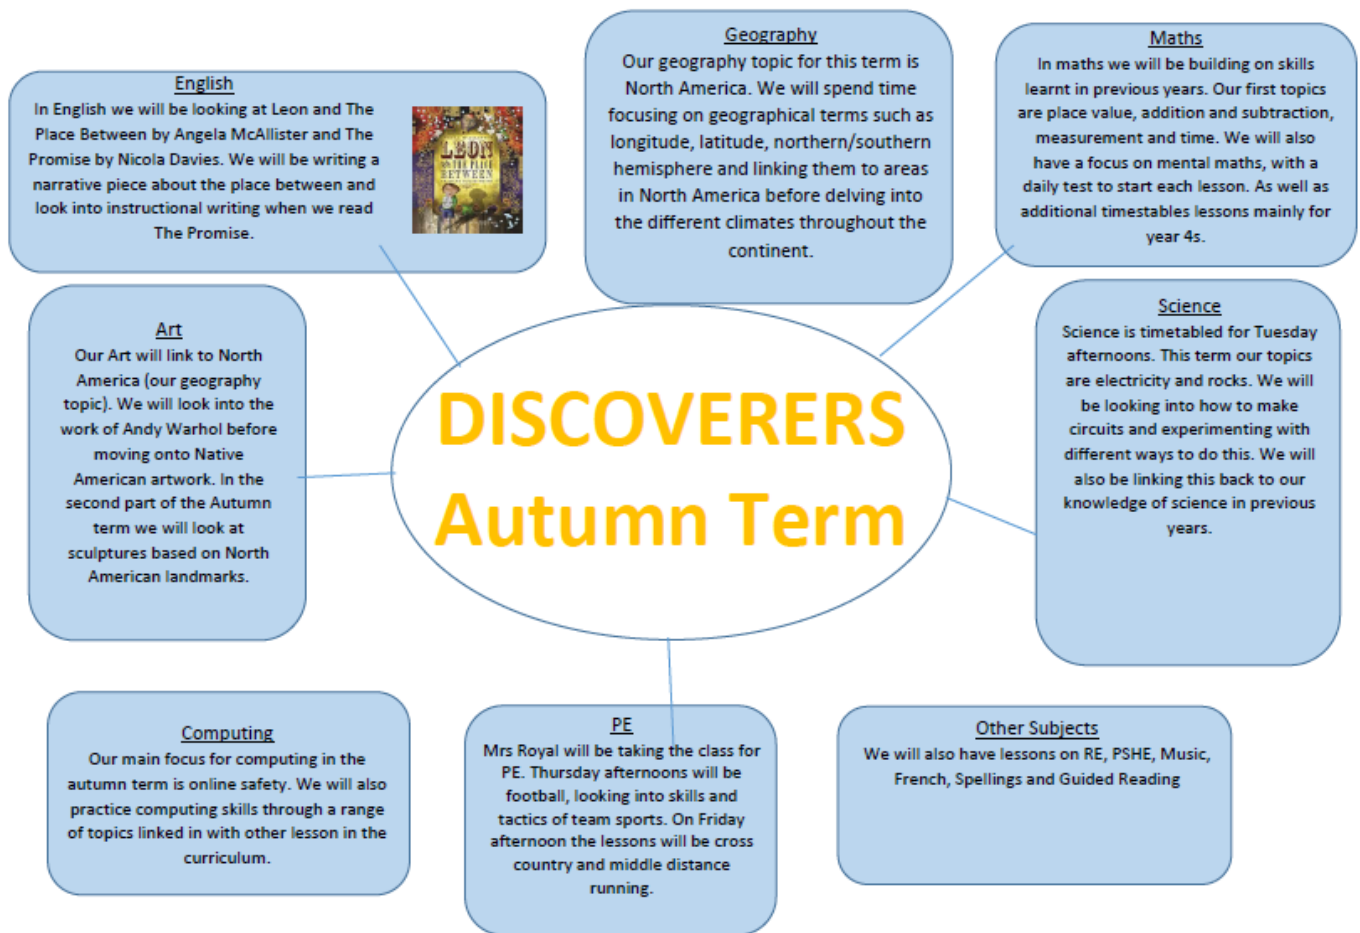

Some activities the children have really enjoyed have been; racing cars, making sand ice creams, cleaning the mud kitchen, blowing bubbles and making their own playdough!

We hope you have a lovely weekend.

## **Adventurers**

We have had a great first week back!

## Discoverers

## Pioneers

Hello from Mrs Maloney,

The children in Pioneers have settled in brilliantly this week and are already working really hard.

Thank you for your support. Please find below some useful documents /information. Further details regarding homework expectations will follow next week. Have a lovely weekend.

## Pioneers Class Autumn Term 2023

Team: Mrs Maloney, Mrs Ashdown, Mrs Royal and Mr Wake

## Parent Information Sheet: Curriculum Coverage

## Dear Parents/Carers,

Hello and a huge Welcome back to school , I do hope you all enjoyed a refreshing break. I am really looking forward to welcoming your child into the Pioneer Class this term. Please find listed below our intended curriculum coverage for the Autumn Term 2023.

### Maths Autumn 1 and Autumn 2

The children will cover the age related objectives set out in the National Curriculum and will cover the following areas; place value, addition and subtraction, multiplication and division, measurement, fractions , decimals, geometry and shape. A fluent knowledge of all times tables is a crucial element of maths application and understanding in Years 5 and 6

### English

The following texts will be studied: Autumn 1 *Street Child* by Berlie Doherty and *The Jungle Book* by Rudyard Kipling. The intended writing outcomes will be: a workhouse non chronological report, diary entries and a "lost Child" narrative.

Autumn 2 we will look at both *The Wolves of Currumpaw* by William Gill and *Wolf Wilder* written by Katherine Rundell and the intended writing outcomes will be balanced arguments, vivid descriptions and newspaper articles.

### Science -Autumn 1 Light Autumn 2 Electricity

The children will be working scientifically by recognising that light appears to travel in straight lines and explaining shadows.

The children will associate the brightness of a lamp or the volume of a buzzer with the number and voltage of cells used in the circuit. Compare and give reasons for variations in how components function, including the brightness of bulbs, the loudness of buzzers and the on/off position of switches. Use recognised symbols when representing a simple circuit in a diagram.

### History and Geography - The Victorians on the IOW

The children will research and study Queen Victoria - her life, family, portraits and homes (including Osborne House). Understand some of the changes that took place in Victorian society. Recognise why towns grew during the Victorian era and relate this to the IOW. Understand what life was like for the poor and study workhouses and child labour. Identify the Victorians as great inventors. The study of the Victorians will also include an appreciation of the extent of colonisation ;so this will embed world locational knowledge.

### RE - Autumn 1 Belonging Autumn 2 Interpretation

The children will describe their response to the concept of *Belonging* and identify examples of how *Belonging* can be applied in their own and others' lives. The children will link this to how *Belonging* is

important to Muslims. In Autumn 2 the children will consider the concept of *Interpretation* and how there are different narratives about the birth of Jesus in the Christian faith and in the Bible.

### PSHE

In this Autumn term we will consider all types of friendships , in particular how to positively manage friendships and deal with peer influences. How to understand opinions and other points of view and respond respectfully to others.

In PSHE lessons we will be using resources from *SCARF* (created by Coram Life Education) which is the leading charity provider of relationships, health, wellbeing, and drugs education to children across the UK.

*SCARF*, is a comprehensive, fully resourced, progressive PSHE scheme of work for 3-11 year olds, supporting schools with a Whole-school approach to wellbeing and Mental Health. *SCARF* stands for Safety, Caring, Achievement, Resilience, Friendship

### Art and Design

There will be many stimulating art and design opportunities for the children throughout our Autumn Term curriculum subjects; some highlights include: Victorian silhouettes; an investigation of the work of JMW Turner. A vanishing point can be used to give the impression of depth in a picture. The children will also consider how the use and portrayal of shade and colour can impact on the mood and expression conveyed by a piece of art.

We will also be looking at William Morris: getting to know how printing can be done on different materials. We will be working on the skill of recording our observations in our sketchbooks and using them to review and revisit ideas. In the Autumn term 2 in Design and Technology we will be designing , improving and evaluating a Victorian inspired mechanical toy.

### MFL

French is now taught weekly using Rigolo. Rigolo is the No 1 Primary teaching resource for French. It is a three-star winner of the Teach Primary Resource Awards 2018! With Rigolo, we can follow the amazing adventures of Jake, Polly and Bof as they discover France through lively interactions and colourful stories.

### Music

This academic year our school is beginning to use a new scheme in music lessons called **Kapow**. This critically acclaimed scheme takes a holistic approach to the teaching of music in Upper Key Stage two and is designed in a spiral/ cyclical manner so children revisit concepts and progress in their musical knowledge . The stands of performing, listening, composing , the history of music alongside the interrelated dimensions of music are interwoven into topics which are designed to capture pupils' imaginations and help them explore music enthusiastically. This term we will be

looking at the composer Mendelsohn ( a favourite of Queen Victoria) and his piece Fingal's Cave and later in the term studying staff notation and whole class instrumentation lessons using tuned percussion.

### Computing

Kapow will also be used to deliver Computing lessons this year and in the Autumn Term These are our areas of key knowledge.

#### **Autumn 1 Research Skills**

- To know how search engines work.
- To understand that anyone can create a website and therefore we should take steps to check the validity of websites.
- To know that web crawlers are computer programs that crawl through the internet.
- To understand what copyright is.

#### **Autumn 2 Designing and inventing a new electronic product.**

- To know what designing an electronic product involves.
- To know which programming software/language is best to achieve a purpose.
- To know the building blocks of computational thinking e.g. sequence, selection, repetition, variables and inputs and outputs.

### PE

PE lessons will be the last lesson of the day on both a Thursday and Friday ; please could your child attend school in their school PE kit on these days.

### Homework

Will be given out on a Thursday and is to be handed in the following Wednesday morning: further homework expectations and some guidance is contained in a separate communication. The main focus this term will be spellings.

If you have any questions or need to share information or concerns please do not hesitate to contact me by email.

# A Parent's guide to Online Safety

Being online presents lots of great opportunities for children, from supporting them with school work to communicating with friends and family. However, being online can also come with numerous risks. At home is where your child will spend most of their time online, so it is vital for you to know how to help keep them safe.

## Key considerations

### *Sharing information:*

Does your child overshare when they are on the Internet? Do they know not to share personal information such as their full name or address online? Spend time talking to your child about what is safe and not safe to share online.

### *Age restrictions:*

Are you aware of the content your child is accessing? Some content out there is not suitable for children. If children are playing games online, they usually come with an age certification but when accessing online content through a video streaming platform, this is not always the case. Encourage your child to ask you for guidance when accessing new content or websites so you can help show them if it is safe and/or suitable for them. <https://www.commonsensemedia.org/>

### *Gaming:*

More and more games are regularly available for your child to access online. Online games may involve online chats, live chats or include pop-up advertisements that encourage your children to buy products or more lives. Regularly chat to your child about what games they are playing online and what peripheral content they might be subjected to. Websites such as <https://www.commonsensemedia.org/> can also support you with keeping up to date with new games that are available and their age restrictions.

## Online Bullying

Children find it a lot easier to be hurtful towards others when they are online than face to face. Encourage regular talks with your child about how to be kind when they are online. When online, your child could also be a victim of bullying. If you do suspect your child is being bullied, talk to them and ask them to explain what is happening. All apps and websites have the ability to block and report users. You can use this website to find out how help to keep your child safe from cyberbullying: <https://www.nspcc.org.uk/what-is-child-abuse/types-of-abuse/bullying-and-cyberbullying/>

### Online grooming:

It is important for your child to understand that not everybody they meet online is who they say they are. Regularly review your child's friends and contacts and ask them who they have been talking to online. Any incidents can be reported to <https://www.ceop.police.uk/Safety-Centre/>

### Screen time:

With an increased dependency on technology, it can sometimes be hard to reach a balance between screen time and 'non-screen' time. Encourage activities away from the screen such as playing a board game or going for a walk.

## Online safety checklist

- Ensure that location is disabled on any device your child uses so your child can't accidentally share their location.
- Either ensure that no credit cards or bank details are linked on your child's device, or if they are, make sure they can only be used with a password.
- On some devices, parents receive a message when their child tries to download any apps – on Apple, this is called Ask to Buy and can be used on Family Sharing.
- Ensure that devices are set up appropriately for children by choosing "child" during the set-up process.
- Check children's privacy settings on any social network they are using to ensure they cannot be contacted by people they don't know.
- Have regular conversations with your child to find out what they are doing online, to find out if they are having any worries and problems.
- Encourage a healthy balance between 'screen' and 'non-screen time'. Parental settings do allow for devices to be locked after a set time.

## FOSH (Friends of St Helens Primary) News

### FOSH FAMILY BEETLE DRIVE

FOSH are holding a Beetle Drive on Thursday 21st September 5-7pm. Beetle is a fun game that is suitable for all ages and we would love to see you there! A jacket potato supper will be included in the ticket price of £5 per person. Letters will be coming home with the children over the next few days so please look out for more information.

### Textile Bank

Don't forget that we have a textile bank where you can donate unwanted **clothes, belts, paired shoes, bags, hats, (in a tied bag)**. The donated items will be collected and weighed fortnightly and the school will receive 20p per kilo towards our funds. **Donated items (bagged please) should be left near to the front entrance of the school. Please let the office know you have left items!** ***Please do not donate duvets, pillows, cushions, household textiles, soiled rags, curtains, blankets as the recycling company will deduct the cost of disposing of these items from our overall total raised.***
